

WORK STUDY APPLICATION

Yogagroove's Work Study Program is an important part of how we conduct business and provides an affordable way for people to study Bikram Yoga. Your work at Yogagroove positively affects the experience of every student attending class here. Just like any other job, what you do here is taken very seriously. In exchange for unlimited classes and free mat storage, you are providing 2-4 hours of your time per week. This means arriving on time as agreed, doing as instructed and letting us know within a "reasonable" amount of time if your relationship with us will end so we can find a replacement for your responsibilities. We ask for a 3 month minimum commitment to make the most of this opportunity for everyone. If this is acceptable to you, then please fill out the following application.
